The Ambulance has covered 3,478 miles on duty, and has been driven entirely by voluntary drivers. Much praise is due to these drivers, who have carried out their duties most efficiently.

The calls have been answered promptly and journeys have been undertaken to local Hospitals, Oxford, Swindon, Tetbury, Tidworth and London.

The Ambulance Schemes have been well supported, and the number of members is now approximately 1,000.

The Accounts to the end of the year 1939 appear on another page of this Report, but since then many new Scheme Members have been enrolled and Accounts paid, making the balance in hand at Lady Day £125 10s. 0d.

The Hospital Committee wish to express their great appreciation and thanks to the Subscribers, Voluntary Drivers, the Ambulance Committee, and to all those concerned with the Ambulance, for the splendid and efficient work which they have accomplished in so short a time with such gratifying results, and are confident that their valuable work will continue to be of great service to the District.

7.—Nurse Lee again took temporary duty at the Hospital during the Matron's holiday.

8.—The Committee again wish to express their grateful thanks to the Secretary and Committee of the Annual Effort Fund and to the helpers in the towns and villages concerned for their work in respect of this branch of the work of the Hospital, and also to the public for their response to this appeal, details of which are printed in the Accounts.

9.—A "Pound" Day was again held and proved very successful. The Committee express their most grateful thanks to all those who so generously gave their services and support to this day in such a liberal manner. The collections therefrom appear in this Report and as in former years numerous gifts in kind were received at the Hospital.

10.—The Committee express their grateful thanks to the Medical Staff for their valuable services, to the Matron and Staff at the Hospital, who continue to carry out their duties with marked efficiency, to Mr. L. C. Horton for kindly auditing the Accounts, and to Messrs. Abel Bros. for voluntarily winding the clocks at the Hospital.

11.—The Committee again wish to acknowledge with gratitude the splendid services of the Voluntary Aid Committee in Faringdon and the neighbouring villages. Contributions to the Radcliffe Infirmary Scheme have been well maintained.

12.—Lastly, the Committee wish to thank all supporters of the Hospital, the Clergy and Ministers of all denominations, and the subscribers and donors for their help, and all those who by their gifts and interest have helped to promote the welfare of the Hospital.

SIGNED on behalf of the Committee,

LILY FITZGERALD, President.

A. T. WEST, Hon. Secretary.

The Oxford and District Joint Hospitals' Board was formed in 1937 with the object of co-ordinating local hospital services, so that each constituent Hospital might be enabled to fulfil the function for which it is best equipped, without wasteful overlapping and duplication. The Board includes representatives not only of voluntary hospitals, but also of the public authorities, the medical services, and the contributory and provident schemes in the area. Although the first years have necessarily been experimental, the Board has been able to make considerable progress in the organisation of local hospital services.

The desirability of grouping hospital services on a regional basis by means of bodies such as the Oxford and District Joint Hospitals' Board has recently received general recognition, particularly in the case of the the Ministry of Health's Emergency Hospitals' Scheme, and in Lord Nuffield's munificent gift which is intended to provide the nucleus of a central fund for Provincial Hospitals, analogous to King Edward's Fund in aid of London Hospitals.

Thus it appears likely that the scheme for the regional organisation of hospital services, initiated by the Joint Hospitals' Board in the Oxford district, will encourage the adoption of similar schemes in other provincial areas.

The following hospitals are associated with the Board:—

- The Radcliffe Infirmary
- The Wingfield-Morris Orthopaedic Hospital
- Oxford Eye Hospital
- The Horton General Hospital, Banbury,
- Abingdon Hospital
- Bicester Cottage Hospital
- Buckingham Hospital
- Burford Cottage Hospital
- Chipping Norton and District War Memorial Hospital
- Didcot Hospital
- Fairford Cottage Hospital
- Faringdon Cottage Hospital.
- Victoria Cottage Hospital, Thame
- Wantage Cottage Hospital
- Watlington and District Cottage Hospital
